WHAT WILL MY TEAM DO?

The team will meet in Beijing first then travel to Sanmenxia together. When you are at Samenxia Welfare Centre, you will serve alongside the workers there to serve the

abandoned and disabled and to help in a variety of activities. This may involve playing games, assisting with handicrafts, or simply providing comfort and care to a child.

If you have specialist skills in areas such as Occupational Therapy, Physiotherapy, Speech Therapy, Art Therapy, etc., you may have the opportunity to carry out more specialised activities.

Your team schedule will allow for time with the children, as well as time for personal reflection, team building, prayer and worship.

FOOD & ACCOMMODATION

Almost all the meals will be prepared from local, fresh ingredients. Meals usually consist of a variety of vegetable dishes, meat dishes and rice. Specific diet meals can be arranged upon prior request.
